

**THE OFFICE OF ATTORNEY GENERAL  
6-Day Bespoke Training**

**WHEN: 20<sup>th</sup> to 25<sup>th</sup> May, 2024**

**WHERE: OSHA Conference Hall in Dodoma, Tanzania.**

**TRAINING COST:**

The training cost is **TZS 1,550,000.00** per participant, to cover for venue, meals, training materials, and instructor fees. *Participants will cover their own daily allowances.*

**OVERVIEW OF THE TRAINING:**

This bespoke training is specifically designed for State Attorneys to enhance their capacity in providing quality legal services in their specific capacities. It mainly focuses on extensive contract management and control, comprehensive understanding of legislative processes, and the art of strategic legal advisory. It specifically focus on the Parliamentary Standing Committee on Subsidiary Legislation, the *Haki Jinai* Report, reports on the Blueprint for Improving the Business and Investment Climate, and other challenges that continue to emerge in discussions, preparation, and management of contracts, while effectively addressing the challenges and opportunities of devolution to better meet the evolving needs of the State. The training also aims to foster leadership qualities and integrity.

**OBJECTIVES:**

- Develop advanced skills in critical thinking, developing, and writing sound legal opinions and drafting policy.
- Enhance expertise in managing and controlling contracts within Government frameworks.
- Deepen understanding of legislative processes and procedures.
- Tackle legal challenges addressed on various platforms and forums.
- Equip participants to implement devolution in ways that align with state demands and public service goals.
- Build leadership capabilities and promote integrity among State Attorneys.
